Dear Honorable Judge Standtmeuller,

My name is, Anthony Williams #13408-089, and I've been in FCI Pekin for approximately eight months now, within that time I have had the humbling opportunity to meet Mr. Jerry Walker. Although our conversations have not been of great length, they left me with intense moments of introspection, as a man whose adolescent years were marked by mid and late 90's in the City of Milwaukee. I must admit I did not know Mr. Walker in those days, but I was aware of his presence and influence. With that being said I do not know or believe that Mr. Walker is the same man that he used to be.

The Jerry Walker of today is a humble, intelligent, caring man with a hope and care for his city, and community. I believe with his intellect, and background with assistance, and guidance the Mr. Jerry Walker of today can have a remarkable impact on the youth of Milwaukee.

Most Respectfully, Anthony Williams 13408-089
